

## Getting to Know

# TANZANIA

Sunday, February 18 at 2:30 pm

Visitation Catholic School Gym

You are invited to learn about Tanzania, experience the 2017 Saint John Paul II Mission Project through photos and narration by Mark and Mary Ebert, and sample some traditional Tanzanian food prepared by Father John.

PS We will see if Father John can still carry a bucket of water on his head!

*A free-will offering will be taken to support future mission plans*
